Suitable for the bathroom (IP44) • On/off touch switch • Decorative backlight effect • LED lifespan: 25,000 hours

This elegant bathroom mirror creates a beautiful backlight effect on the wall and provides a nice light for applying makeup or getting ready. Turn off the light with a simple touch of the on/off button on the mirror. The light in the mirror is designed for individual control using the integrated touch button on the mirror itself, and not from a wall switch.
